THE AIRCRAFT

Gulfstream G200, space without *compromise.*

A wide, comfortable cabin with a separate galley area, ideal for groups flying between Ibiza and the main European cities.

Every flight is arranged by King Luxury Services as a private charter from Ibiza: the aircraft and crew are yours for the journey, with no queues, no connections and a departure time that suits you.

- Up to 10 passengers · crew of 2 pilots, 1 cabin attendant
- 3,400 nm range · about 7 h non-stop
- Cabin 7.44 x 2.19 x 1.92 m
- Year of manufacture 2006

THE CABIN

A private lounge for *10 guests.*

The main cabin of the Gulfstream G200 is set up as a lounge in the sky: wide leather seats that swivel and recline, polished veneers, soft lighting and large windows on both sides.

Seats face each other in club arrangements, perfect for travelling with family or friends and arriving in Ibiza already in holiday mood.

DINING & WORKING

Lunch at *forty thousand feet.*

Tables open up for a proper meal or a meeting. We arrange the catering to your taste before departure, from a light Mediterranean lunch to a full dinner, with the wines and champagne you prefer.

Wi-Fi is available on board on request, so the flight is as productive or as relaxed as you want.

REST

Arrive *rested.*

Seats and divans convert into beds: 3 single.

Ask us for bedding, pyjamas and amenity kits and the cabin will be ready when you board.

GALLEY & WASHROOM

Every detail, *on board*.

The galley is stocked before every flight with your food, drinks and any special requests, from dietary menus to your favourite brands.

The washroom is located at the rear. Pets: no.

SAFETY & CREW

In *expert hands*.

Each flight is operated by a licensed commercial operator with professional pilots.

We take care of the private terminal, the handling at Ibiza airport and the transfer to your villa, yacht or hotel, so the journey is seamless from door to door.

MAKE YOUR STAY COMPLETE

Everything else, *arranged for you.*

One team for the yacht and everything around it. Tap any card to see the service on our website.
